

*** PROCESS FOR TURNING IN DIMES ***

The response to our 'Dimes Make a Difference' campaign has been amazing. People and businesses throughout the community have enthusiastically embraced this fundraising project. We recognize how important it is to the teams that the dimes they've collected are tracked efficiently toward their donation totals.

We're very pleased that Diamond Credit Union is partnering with us for the third year to hold the dime deposits in a dedicated account allowing the Pottstown Relay to accurately report the success of this campaign.

To achieve that we're implementing the following process for turning in dimes:

- Dimes will no longer be brought to the Team Captain meetings.
- Take dimes to Diamond Credit Union, 1600 Medical Dr., Pottstown, PA.
- Run them through the coin counter which will print a report of the total.
- Take the report to a teller.
- Inform the teller that this is for the Relay 'Dimes Makes a Difference' program and be sure to include your team name. ***This is very important as it will ensure that the dimes are deposited into the account established specifically for this fundraiser.***
- Place the receipt in a donation envelope, mark it 'DIMES' and complete as usual.

*****Please keep this separate from other donations*****

- Turn this in to your team captain who will take it to any Team Captain meeting or Bank Night.

Dimes can be taken to Diamond Credit Union at your convenience. Their hours are:

Monday, Tuesday & Wednesday 9:00 to 4:00

Thursday & Friday 9:00 to 6:30

Saturday 9:00 to 12:30
