2010 BARK FOR LIFE™ 12-Month Calendar

The 2009 American Cancer Society BARK FOR LIFE™ has created this 2010 calendar to congratulate and celebrate the Top 12 fundraising dogs and their families.

The dogs featured each month of this calendar have a combined fundraising total of more than $29,000. The calendar's Pawprint Collage of Dogs represents the canine teams that participated in the 2009 ACS BARK FOR LIFE™ of Pottstown. At the time of this calendar's printing, the canine teams have contributed over $100,000 to the American Cancer Society. Donations have been raised through email campaigns, BARK FOR LIFE™ events and individual fundraising projects.

Cancer survivors everywhere and the ACS Relay For Life of Pottstown honor the commitment of the families who shared their canine "Best Friends" to voluntarily participate in this exciting fundraising opportunity. The canine relay teams contribute their donations to the American Cancer Society mission of continued cancer research, education, awareness, improved services for cancer patients, and advocacy through the annual ACS Relay For Life of Pottstown. Dogs are caregivers to their owners and families – now, they are contributing to saving their lives.
